TYLER PRINCE

Kansas City, MO | 816.383.1228 | tp624@umkc.edu
LinkedIn: https://www.linkedin.com/in/tyler-ppwc | GitHub: https://github.com/Tjprimc09

EDUCATION

University of Missouri - Kansas City
Bachelor of Science in Computer Science | Expected Graduation: Dec. 2029
GPA: 3.82
Relevant Coursework: Data Structures & Algorithmic Efficiency, Python, Java, Digital Systems, Pointer Logic, Discrete Structures, Object-Oriented Programming
Activities: "Roo" Hackathon Participant (Fall 2025).

TECHNICAL SKILLS

- **Languages:** Python, Java, HTML, CSS, React
- **Tools:** GitHub Copilot, GitHub, VS Code, Microsoft Azure, Azure AI, Azure Kubernetes, Cosmos DB, Hugging Face, OpenAI, Google Antigravity.
- **Concepts:** AI, Machine Learning, Data Fundamentals, Computer Architecture, Unit Testing, Memory Management, Data Engineering, OOP, REST APIs, Microsoft Data Fundamentals
- **Certifications:** Microsoft Certified: Azure AI Fundamentals (2025).

SOFTWARE PROJECTS

Video Game Transaction Analyzer | Python, Data Engineering
- Engineered a data pipeline to ingest and validate large datasets of transaction records, simulating data preprocessing workflows.
- Implemented robust error-handling and cleaning logic to filter malformed data, optimizing system stability, and ensuring data integrity.

Workout Builder & Tracker (Current) | Python, System Design
- Building an application to create and track custom workout plans, utilizing file I/O for reliable data persistence.
- Modeling complex domains (Workouts, Splits, Exercises) using Object-Oriented principles, ensuring a modular and scalable codebase.
- Self-directed initiative to explore OOP and full lifecycle development.

OOP Theatre Booking System | Python, Object-Oriented Programming
- Architected a reliable reservation system to manage seat inventory and booking states, demonstrating strong command of class-based design.
- Optimized performance by implementing seat-allocation algorithms.

PROFESSIONAL EXPERIENCE

Reach Digital Positioning LLC | Owner / Freelance Web Developer | 2016 – 2024

- Delivered and maintained custom websites using HTML, CSS, React, and Webpack for local small businesses and startups, handling the full development lifecycle from requirements gathering to hosting and deployment.
- Worked with business leaders to design and implement sales funnels that converted web traffic into repeat customers.
- Completed advanced SEO, performance optimization, and analytics-driven conversion optimization.

Prince Professional Window Cleaning LLC | Owner / Founder | 2014- 2024

- Led all business operations, including business development, marketing, hiring and onboarding, team supervision, sales, scheduling, logistics, and financial management.

1 Million Cups Kansas City | Community Organizer | 2016 – 2019

- Coordinated and emceed large weekly events for a program by the Kauffman Foundation, which supported entrepreneurs with a platform to present their early-stage startup ventures and receive feedback from a community of experts.
- Interfaced with founders and community leaders nationwide, and worked to facilitate networking and collaborative learning sessions that strengthened the regional startup ecosystem.
