Founder & Owner- Prince Professional Window Cleaning LLC
Kansas City, MO | 2014- Present

As a small business owner, I've dedicated nearly a decade to studying and developing a passion for the art and science of digital marketing. I've invested hundreds of hours into consuming educational content on the subject. I have completed professional certification courses on Google Analytics, Google Ads, Microsoft Ads, and Facebook Blueprint. I've developed a proficiency in SEO, taught myself how to build websites, and successfully completed a Google Digital Marketing & E-Commerce Professional Certification course.
