Founder & Owner- Prince Professional Window Cleaning LLC
Kansas City, MO | 2014- Present

- Successfully grew annual revenue from 28K to 252K within the first year of business by leveraging digital marketing strategies. Saw an average year-over-year growth of 17%.
- Self-taught web design, SEO, SEM, social media marketing, e-commerce, and graphic design
- Google Professional Certification in Digital Marketing & E-Commerce
- Additional certifications in Google Analytics, Google Ads, and Facebook Blueprint.
- Started a small web design and digital marketing practice on the side, providing services to local small businesses and startups in the area.

Digital Marketing Coordinator - illumisoft LLC

Kansas City, MO | March 2017 - June 2023

- Built the company's website and achieved visibility at the top of search rankings.
- Built, launched, measured, and managed the company's digital marketing campaigns
- Ideated and developed LaunchIt Successfully! A paid accelerator program ran by illumisoft for regional startups. This created an additional income stream while generating and qualifying leads for illumisoft.
- Consulted with business leadership and worked cross-functionally to ensure marketing efforts were supporting the business holistically, and advancing it towards its goals.

Partner - LaunchIt Successfully!
Kansas City, MO | 2018 - 2020

- Helped plan and launch the program
- Advised startups going through the accelerator in the areas of digital positioning and business development
